

## Message to Parents – March 19

1. A reminder to all graduates to check our school website for information on grad photos. You can find the information poster on the website – bottom right corner. If you have any questions about grad photos, please call Mrs. McPhee in the main office (519) 631-3770.
2. To parents/guardians of students who have an IEP.... I know the IEPs were posted on the portal last week – but due to an error, they have the wrong date on them. Please go on the portal again and you will be able to print off one with the proper date – and this is the version we will be using here at the school. I am sorry for any inconvenience this error may have caused.
3. A reminder to all parents and students that as of the end of school today, this is how many classes are left for each cohort:

A1 = 4

B1 = 4

A2 = 4

B2 = 5

As mentioned in last week's memo, now is the time to be sure to attend class, submit all work and reach out to the adults in the building who are here to help: *Guidance, LSTs, SST, Social Worker, Caring Adult, Vice-Principal, Principal* – and your *classroom teacher!*

4. Credit Rescue is yet another plan we have in place to help students do the absolute best that they can. The Board's plan for this Quad is:
  - It is for any student who wishes to improve their mark right before the final marks are submitted
  - Will be available during the last two teaching blocks of the day for:

A1 = April 22	A2 = April 8
B1 = April 21	B2 = April 9
  - By appointment with teacher only
  - Students who attend on those days and who do not have an appointment may leave the school at the end of the first teaching block or stay in their classroom until 2:40
  - Students who leave the school will not be allowed to re-enter
  - Buses still run at regular times – or students may be picked up by parents
  - Entrance is still at the gym doors
