

## Parent Message – May 19/22

1. A reminder that all PROM GUEST FORMS are due to me by Friday/tomorrow at noon. Since we have been advertising this due date for over a month, given students personal reminders on paper, and have made announcements for over a week, and need to finalize plans for the prom - forms submitted after the deadline will not be accepted.
2. Students have been notified and prepared by teachers this week, but I want all parents/guardians to know that we will be having our semester two CODE RED/LOCKDOWN drill next week on May 25. Historically we have done *very* well during this very important drill and students and staff take it very seriously. If you have any concerns, please call me at the school ASAP.
3. A reminder – and thank you – to everyone about student DRESS CODE. No offensive or inappropriate language or images are allowed and student bodies must be covered appropriately.
4. Congratulations to all students who joined Mr. Simon, Mrs. Osterback, Mrs. Saini and Mrs. Blondeel at the IGNITE CENTRE dedication on Tuesday. Students painted artwork that is mounted on the walls, painted picnic tables for public use, read student-created poetry, and created flower boxes to beautify the area for the community. Well done and it looks fantastic!
5. As of today, there are only 24 more teaching days left in the year. Now is the time to submit assignments and class work to be assessed. With no final exams again this year, student marks are completely made up of work assigned in class. So don't miss out. Get to class on time and submit the work you have done. Earn the mark you truly deserve.

Thank you,  
M. Moore
