

## **2022 - 2023 Register to Ride!**

Bus registration for next school year is now open! To schedule bus service more effectively for students, Southwestern Ontario Student Transportation Services (STS) has an **annual mandatory transportation registration process for students who are eligible for bus service**. This form does not apply to students who use specialized/accessible transportation to meet their unique needs. **Students who are using the school bus must register every year.**

### **Know Your Student ID:**

Prior to registering, families should also make sure they know the Student ID number. Student IDs are available in the STS Parent Portal or your School Board Parent Portal.

### **Registration Due Date:**

Transportation Applications will be closed on July 15, 2022 so that routes can be finalized before the start of school. Families who register for the bus after July 15<sup>th</sup> may experience delays and transportation may not be in place for the start of school.

### **You don't need bus service next year?**

No action is required. School bus service is a shared ride environment, with multiple students using the space over the course of the day. Some families may not wish to use bus service for personal reasons. **If you are not using bus service, you do not need to register.** We understand that your circumstances may change, if they do, please fill in a registration form at that time.
