

Parent Message – March 4, 2021

1. Midterm marks will not be issued on paper this quad – but they will be available on the parent and student portal on Thursday, March 11 by 10am. Please be sure to check for your student’s marks next Thursday!
2. If those midterm marks are not what you had hoped, be sure to have your student speak to their teacher, submit all of their assignments, and make use of Study Hall. Now is the time to plan make sure that the Final Marks are where you want them to be at the end of the Quad. We want everyone to be successful – and we are here to help.
3. Tomorrow – Friday, March 5 – is a PD Day and there are no classes for students.
• The next day of classes is Monday, March 8 for COHORT A students.
4. Remember to check the Parent Decision Flowchart on our school website if anyone in your household feels ill. The chart is in the middle of the page – near the bottom. It will guide your decision on when to send your student to school. We depend on you to make the safe decision to keep everyone at school safe.
5. Remember that Community Hours are a requirement for graduation. Don’t let this be a barrier to the diploma that your student is working so hard for. See Guidance for specifics of what IS and ISN’T an approved activity.
