

Message to Parents – April 9, 2021

1. A reminder of the message you received from TVDSB yesterday regarding the 'April Break':

Thursday, April 8, 2021

Dear Parents and Guardians,

Thank you for your continued support as we navigate the changing public health restrictions across our District. All Thames Valley schools will remain open to students and staff following the Ontario government's recent decision for additional measures to control the spread of COVID-19 in the community.

Ontario public schools will be closed for Spring Break from April 12 –16. Any decisions impacting school status following the Spring Break will be communicated as soon as they become available.

Once again, as a precautionary measure only, we are asking students to take home technology/computing devices, learning materials and any required personal items such as eyeglasses and running shoes. This includes Special Education devices and designated secondary 1:1 Chromebooks.

At this time, students who were learning in-person will be returning to school on Monday, April 19, however, we want our students and families to be ready and supported in the case that the Ministry of Education and Ontario Public Health announces a shift to remote learning for all students.

Our hope is that this allows students, staff and families to prepare for whatever scenario we may face in the coming days. This is not intended to create stress or speculation about what might occur; the reality is that if we have to shift to full remote learning following the break, we will be prepared.

We will share any information related to the return on Monday, April 19 as soon as it becomes available.

We understand that this is a challenging time for families and staff and TVDSB is available to provide support. For mental health and well-being resources, please visit www.tvdsb.ca/mentalhealth.

Thames Valley District School Board

2. When we return to school on April 19, that is the final week of Quad 3. As mentioned several times before, NOW is the time to make sure all student work has been submitted and that A1 and B1 students take advantage of the credit rescue/improvement plans on April 21, 22. Be sure to speak to teachers to make an appointment.
3. Quad 3 Final Report Cards will be distributed to you electronically as soon as possible after the 26th. We will have more information for you closer to the date.
4. Quad 4 starts on Monday, April 26 for A3 students only. See below for the A and B Cohort schedules for you to print off. We will meet students at the GYM DOORS with their Quad 4 timetables.
