

Message to parents – Friday, November 6, 2020

1. FINAL MARKS will be available in the portal the week of November 23rd. We will let you know the exact date later on. We will also be sending paper report cards home the week of the 23rd as well.
2. Some dates for you:
 - Thursday, Nov. 12 = credit rescue/recovery/improvement day for COHORT A students only... and all DE students
 - Friday, Nov. 13 = credit rescue/recovery/improvement day for COHORT B students only... and all DE students
 - Monday, Nov. 16 = NO students that day... no classes... it is a 'turn around day' for teacher to prep for QUAD 2
3. QUAD 2 starts on Tuesday, Nov. 17 for Cohort A... and the 18th for Cohort B
4. We are still getting calls/comments about the NEW schedules. Be sure to check the SCHOOL WEBSITE under MESSAGE TO PARENTS OCTOBER 30 for a copy of both the daily and weekly schedules.
5. Congratulations to all of our 2020 Graduates! Today is the release date for our virtual commencement – and it looks great! Kudos and special thanks to the many, many staff who contributed to such a fantastic event!
6. One suggestion that has come out to School Council this week is that parents/guardians would like to know more about the online learning platform that our students are using. In other words, how exactly does google classroom work? How can you as a parent access it? What does it even look like?

We thought it might be helpful to have a google classroom session for parents – done virtually but by teachers in an 'easy to understand' fashion.

If you are interested in such a session (to occur later in the month of November once the QUAD has begun) please email me ASAP at m.moore@tvdsb.ca.
