

Parent Message – October 8, 2021

1. We have a date for Commencement! On Friday, November 5 we will be releasing the online ceremony. Details on HOW you access it if you have a graduated student will be coming out at a later date, but for now – be sure to mark the date on your calendar.

2. Marks! Marks! Marks! Your student will receive progress report marks on or before Oct. 15. Be sure to ask your student to see the MARKBOOK page that is being sent home OR to check in their online class to see their mark. You should know exactly how your student is doing by the 15th as $\frac{1}{4}$ of the semester will be complete by then for all classes.

I hope you all have a fantastic Thanksgiving weekend and remember... no school on Monday!

M. Moore
