

Parent Message – September 17, 2021

1. This is a second reminder that I would love to hear from more parents/guardians to join this year's School Council. This is a very important group and it helps me set school direction every year. Thanks to those who have already reached out to be part of it – and for anyone else who is interested, please email me directly at m.moore@tvdsb.ca
2. As of today, there are plenty of NEW updates coming from the TVDSB around all extra-curriculars. Please be sure to read the message from the Board and if you have questions about its policy, please feel free to call me or email me. As of now however, students that are not vaccinated still cannot participate in what is an important and fun, but also an EXTRA part of the school experience.
3. Thank you for helping your son/daughter complete the online DAILY student COVID attestation form saying that they are healthy enough to come to school. Please make sure they are doing it BEFORE they come to school. It is found on the student's gotvdsb account.
4. A reminder that there are no more course changes after today. With the 150-minute classes this year it is even more important than normal for your son/daughter to be in class, on time, every day. We have plenty of supports for students if they are in the building for us to help them. Other than their classroom teachers, please note and feel free to reach out to the following staff specifically:
 - Mr. Kesteloot and Mrs. Sworik (Guidance)
 - Ms. Osterback (Student Success Teacher)
 - Mrs. Laforme, Mrs. Jordan, Mr. Cummings (LST- Resource)
 - Mrs. Horton (Social Work and Attendance Counsellor)
 - Mr. Telfer (Vice-Principal)
 - Mr. Moore (Principal)

Thanks to everyone,
M. Moore
