

# Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

## Safe and Inclusive School Plan

### Ensuring Positive Learning Environments

This year we are focusing on increasing the number and variety of extracurricular activities and events.

We are doing this to improve student participation in extra-curricular activities, to reward students for positive behaviour, and to improve student attitudes toward each other.

#### Throughout the year, we will be:

1. Holding monthly supercouncil meetings to plan events and activities for the month.
2. Starting an anti-racism student group and re-starting a QSA group.
3. Enlisting student voice to plan events (e.g. talent show, dance, spirit week, Wellness Wednesday, student interest day, cultural week).

#### Community/Home Connections

Ask your child about what is happening at school at lunch-time

Try encouraging your child to participate in extracurricular events at school.

Check out monthly newsletters and our school website about upcoming events.
